*(**OPTIONAL:** If you want to invest in your new "career", you can find awesome full training courses on upwork on udemy.com. Will cost you about R180 and you can get a full step by step course on the best way to make money with upwork. Really recommend you invest in this to get you the best chance. Check out the courses here: <https://www.udemy.com/topic/upwork/>)*

4. a. After your profile is created, verified and accepted, go through all these easy freelancing jobs. Make notes of what you are wiling or can do, and search on upwork for these types of jobs. Apply for all jobs that you think you can do. Bid low. Be prepared to work for less money just to build your profile and get reviews. Later you can start asking for more.
